Commitment and Operational Statements

*Time Commitment:* Serving on the *Early Learning Coalition of Marion County* will require a commitment of time including regular coalition meetings, committee involvement, reading and becoming educated about many aspects of early childhood development and school readiness.

*Employment:* The school readiness legislation states that nominated members must be from the private sector, and neither they nor their families may earn an income from the early education or child care industry.

*Conflict of Interest:* Conflict of interest may occur when an item is presented for a vote that will directly affect you, your employer, or another organization you are involved with. Conflict of interest rules generally require you to disclose the conflict, and abstain from discussion or voting on the matter.

*Government in the Sunshine:* The *Early Learning Coalition of Marion County* is a legislatively mandated group and will operate following the guidelines of "Government in the Sunshine".

I understand these requirements of the *Early Learning Coalition of Marion County*.
