	<p><b>Garden Hero Set</b></p> <p>These plush, bean bag characters with embroidered eyes could make anyone want to eat more fruits and vegetables! Bean bags are machine washable. Healthy Tots includes 4 colorful and yummy board books!</p>
	<p><b>Primary Science Sensory Tubes</b></p> <p>Invite sensory exploration and develop the scientific senses with this set of clear tubes with twist-on lids. Four of the lids are vented to encourage children to use their sense of smell. The tubes with solid lids hold liquid and other materials safely inside.</p>
	<p><b>Spin Again</b></p> <p>Place the sequentially sizes discs on the corkscrew-shaped rod one at a time and watch with fascination as they spin, twirl, and whirl to the bottom! Each disc is dual-colored, and from largest to smallest, they form a dynamic rainbow utilizing fun shades like magenta, lime, and teal, and your more traditional shades of lemon, red, and sky blue. The star-like discs alternate between daisy style and star-burst shapes, too.</p>
	<p><b>Mini Masters Art Book Set II</b></p> <p>The Mini Masters Art Board Book Set includes works from Jacob Lawrence, Auguste Renoir, Cassatt, and Rene Magritte. These books are written in simple language including rhymes to help children understand famous works of art, colors, and concepts. The 4 art board books featured in this book will influence children's imaginations in a positive way.</p>

	<p><b>Learn &amp; Play Set</b></p> <p>These Montessori-like materials encourage children to observe, explore, and develop their cognition skills. Each set addresses specific math concepts. They use the same modular system so that pieces can be combined for further exploration. A teacher can support and extend the learning by introducing new vocabulary and encouraging problem-solving. Set of 4 includes Height &amp; Depth Blocks, Trio Stacking Blocks, Cubes and Ordering Blocks.</p>
	<p><b>Ready, Set, Move Classroom Activity Set</b></p> <p>Get moving! Fun exercise set takes active learning to a whole new level. Stand on the colored circle mats and roll the jumbo cubes to see which exercise to do and how many times. Use this versatile activity set to create student groups or encourage student response as you role the color cube and call on students.</p>
