Phased Approach to Reopening ELCMC Office to the Public Effective: June 1, 2020

The Early Learning Coalition will begin a phased approach to reopening the lobby to customers beginning June 1, 2020. Parents will be seen by appointment only on Tuesdays and Thursdays. Providers are encouraged to contact the Coalition to schedule an appointment. The Coalition will be taking the temperature of customers who come into the building to ensure they do not have a fever. Customers who display a body temperature at or above 100 degrees or any visible symptoms of upper respiratory symptoms will not be allowed to enter the building.

Parents are strongly encouraged to come alone to their scheduled appointment. During the reopening of the Coalition office toys will not be available for children in the lobby or the meeting areas. The number of individuals in the lobby will not exceed CDC guidelines.

Parents and providers are reminded that services are available online.

If you have any questions, please contact the Coalition at 352-369-2315 or info@elc-marion.org.
